Hiring Manager,

Therap (BD) Ltd.
Address: House 47 Rd No. 4
Dhaka 1213
Dear Hiring Manager,
I found out that your organization is hiring an "Assistant Engineer" through bdjobs.com. I would like to put myself up as a candidate for the position you are advertising. I am confident that I have the skills and knowledge required to excel in this role.
My educational background and skills will enable me to handle the kind of work that your organization has been looking for. I am a quick learner, able to adapt to new situations and challenges, and I am dedicated to providing high-quality work. I am proud of myself on my problem-solving abilities using initiative and persistence and always maintain integrity and loyalty.
In addition to my experience, Soon-to-be graduate with a BSC in Computer Science and Engineering from Green University of Bangladesh. This has given me a solid foundation in as a developer and I am eager to apply my knowledge and experience to this new opportunity.

I am excited about the opportunity to contribute to the success of Therap (BD) Ltd. and to continue to develop my skills in as a developer. Thank you for considering my application. I have attached my resume for your review, and I look forward to the opportunity to discuss my qualifications further.

Thank you very much for your kind attention. I would be available for interview at any time. I am looking forward to hearing from you.

Sincerely,
Most. Agmera Khatun
